

MOTION BY SUPERVISOR DON KNABE

July 8, 2014

On Saturday, July 19, 2014, the Los Angeles County Sheriff's Department Civilian Advisory Committee will host its 8th Annual Professional Staff Day at La Mirada Regional Park. This is an annual event designed to recognize and provide personal and professional growth of the Sheriff's Department's Professional Staff members.

Also at the event, one Department member will be presented with the Sheriff's Award which is presented annually to a veteran Department member with 20 years or more of distinguished service. In addition, each Department Division will present the Chief's Award to a Department member whose outstanding performance merits recognition.

Professional Staff are a critical component to the Department and should be recognized for providing for the safety and security of the County of Los Angeles and in order to hold this important event, it is necessary that the park fees in the amount of \$500 be waived, excluding liability insurance.
